

Education	University of California, Irvine SEPTEMBER 2022 – EXPECTED JUNE 2026 IRVINE, CA B.S. Informatics, Specialization in Human-Computer Interaction. Coursework: UX Design, Information Visualization, Web Development, Software Testing, IoT & Interactive Devices.
Experience	UI/UX & Frontend Lead, ICOI Membership Portal (Senior Capstone, Client Project) JANUARY 2026 – JUNE 2026 IRVINE, CA [1] Designed the end-to-end UX for an operational membership portal: admin dashboard, member records, application review workflow, QR check-in, activity log, and settings. [2] Built the Figma design system with a component library and color and typography standards, documenting all user flows and design decisions. [3] Implemented production UI in React and Tailwind CSS on Vercel, collaborating daily with developers on technical feasibility. [4] Delivered for the client's internal operations after iterative stakeholder reviews, with full handoff of design files, documentation, and codebase.
	UX Design Intern, Rom America Inc. JULY 2024 – SEPTEMBER 2024 KOREAN FOOD PRODUCTS COMPANY [1] Redesigned B2B e-commerce platform pages on Shopify serving wholesale distributors, improving information hierarchy, responsive layouts, and conversion paths with feedback from sales and operations. [2] Collaborated with internal stakeholders in Korean and English within a Korean-American food business.
	UI Designer, 99DIVINE DECEMBER 2024 – PRESENT FREELANCE, REMOTE [1] Design e-commerce UI for an esports brand in Figma: wireframes, reusable component specs, and interaction flows for a 20+ item catalog.
	Operations & Marketing Coordinator, Prime Academy Irvine AUGUST 2022 – PRESENT IRVINE, CA [1] Built standardized bilingual (KR/EN) communication workflows for 40+ families with templated rules and documented exceptions. [2] Design marketing collateral and run digital signage on Raspberry Pi displays via the Yodeck CMS; manage the Wix site.
Projects	RoomieTask — UX Research & Design SPRING 2026 [1] Designed a shared task coordination app through a full HCI process: surveys, interviews, affinity mapping, prototyping, and moderated usability testing.
	LatteLearn — Project Manager & Design Lead JANUARY 2025 – MAY 2025 [1] Led a 9-person team shipping a café-inspired focus app (React/Electron, Python/Flask), owning UX/UI from user flows to hi-fi prototype and iterating through user testing.
Leadership	President / Chapter Leader, LikeLion US – UC Irvine SEPTEMBER 2022 – PRESENT IRVINE, CA [1] Grew chapter to 30+ members per quarter and organized hackathons across 30+ partner schools. [2] Built the chapter's operational archive and leadership handover documentation system.
	Secretary, Executive Board, UKAL (United Korean American Leaders) SEPTEMBER 2022 – FEBRUARY 2024, SEPTEMBER 2025 – PRESENT [1] Ran Korean food brand activations on campus, including an Ottogi partnership giveaway reaching 200+ students. [2] Executed campaigns with Korean F&B and beauty brands (Saero, Essenhерб, Her Soju & Sang Makgeolli) in a 20+ member organization.
