University of California, Irvine

SEPTEMBER 2022 – JUNE 2026 | IRVINE, CA

B.S. Informatics, Specialization in Human-Computer Interaction. Coursework: UX Design, Information Visualization, Web Development, Software Testing, IoT & Interactive Devices.

Experience

UI/UX & Frontend Lead, ICOI Membership Portal (Senior Capstone, Client Project)

JANUARY 2026 – JUNE 2026 | IRVINE, CA

[1] Designed the end-to-end UX for a membership portal serving 500+ member records: dashboard, application review, family records, QR check-in, and activity log, translating 17 pages of bylaws into a computed status model. [2] Built the token-based Figma design system and component library; documented every flow and spec for developer handoff. [3] Implemented the production UI in React and Tailwind CSS with post-implementation visual QA; shipped into daily client operations and presented at the ICS Project Expo 2026.

Operations & Marketing Coordinator, Prime Academy Irvine

AUGUST 2025 – JUNE 2026 | IRVINE, CA

[1] Built standardized bilingual (KR/EN) communication workflows for 40+ families with templated rules and documented exceptions; automated SAT vocabulary quiz generation with Google Apps Script. [2] Designed marketing collateral and ran digital signage via the Yodeck CMS.

UI Designer, 99DIVINE

DECEMBER 2024 – AUGUST 2025 | FREELANCE, REMOTE

[1] Designed e-commerce UI for an esports brand in Figma: wireframes, reusable component specs, and interaction flows for a 20+ item catalog.

UX Design Intern, Rom America Inc.

JULY 2024 – SEPTEMBER 2024 | KOREAN FOOD PRODUCTS COMPANY

[1] Redesigned B2B e-commerce pages on Shopify for wholesale distributors, improving information architecture, responsive layouts, and conversion paths.

Projects

Portfolio · ivyjiyoulee.com

2026

[1] Designed and built in React, Vite, Tailwind CSS, and Framer Motion with route-level code splitting, lazy loading, a WebP image pipeline, and reduced-motion accessibility.

RoomieTask · UX Research & Design

SPRING 2026

[1] Designed a shared task-coordination app through a full HCI process: surveys, user interviews, affinity mapping (n=19), interactive Figma prototyping, and 5 moderated usability tests; built the token-based style guide and reusable component library.

LatteLearn · Project Manager & Design Lead

JANUARY 2025 – MAY 2025

[1] Led a 9-person team shipping a café-themed pomodoro focus app packaged as a desktop application (React, Electron, Python/Flask), owning UX/UI from user flows to hi-fi prototype through user testing.

Design-a-thon 2025 · UI/UX Designer, Design at UCI

JANUARY 2025 – APRIL 2025

[1] Designed the Judges, Prizes, and Meet the Team pages across web and mobile for the largest collegiate design hackathon in Southern California (250+ participants), inside a fully hand-illustrated design system.

Leadership

President / Chapter Leader, LikeLion US – UC Irvine

SEPTEMBER 2022 – JUNE 2026 | IRVINE, CA

[1] Grew chapter to 30+ members per quarter, organized hackathons across 30+ partner schools, and led two project cohorts shipping production web applications. [2] Built the chapter's operational archive and leadership handover documentation system.

Secretary, Executive Board, UKAL (United Korean American Leaders)

SEPTEMBER 2022 – FEBRUARY 2024, SEPTEMBER 2025 – PRESENT

[1] Hosted 50+ attendee cultural events and retreats; secured Korean F&B sponsorships (Jinro, Won Soju) with activations reaching 200+ students.
